

Resume + of the Committee meeting in March 2024 (To keep you in touch until that welcome Newsletter Editor takes us by surprise!)

Minutes in Miniature

Seasonal weather meant this meeting was totally video linked, with 10 members attending.

The Treasurer's Report

Treasurer reported that the club's finances are in a good position. Swelled, temporarily, by fees for the upcoming Corinium Run.

Membership

Membership numbers continue to rise. Which is good news for event entries and event help. Also, the new online system is up and running well. It does include your membership 'card' to be printed. If you have no printer or simply prefer the traditional card. Please contact me to post one

Business.

Nothing relevant received this time.

Corinium Run

The Corinium Run committee report that it is about fully booked. Plans for the run are taking shape and bookings made. **Sunday 14th April** the date.

Corinium Stages

The three clubs, are continue to work together to find a replacement venue/event for Down Ampney

Summer Series

FOUR evening rounds of the next Series are booked, across the four lightest months, with plans for a **Taster Event** beforehand and a weekend daytime **Pasture Blaster** at the end of the Series. SEE Website for all Dates and F'book, prior to each event for reminders and details.

[Altogether these will take a commitment of time and all during those summer months full of holiday plans and other summer events. We cannot expect any one person to step up to work on every one of these.](#)

[Each of these 6 events will need a certain amount of Help. Please contact Martin beforehand if you can come along on some/any of these dates to lend a hand.](#) It is a very relaxed and sociable for both entrants and marshals etc

12 car Series

The February event, route by Martin S was enjoyed by six crews. Thanks to Martin for organising and members for assisting on the evening.

Since this meeting, the March event has also taken place. Many thanks to Graham D for giving time to devise the evenings route and officiating on the evening, Also, those who travelled to Colesbourne to help with Marshaling. Sadly only 2 cars were entered They both enjoyed another cracking run.

Social

Various social events are planned for the year. These are held on the 1st Tuesday of the alternate months to the committee meetings.

As weather improves more outdoor events are in the pipeline.

Watch Facebook/website for more details as the season progresses

A O B

The Club will review sustainability requirements as requested by MsUK.

The 'Derby Dales' tour is booked for **14th to 16th June 2024**. It is a social weekend for Club Members. Huge thanks to Martin for arranging these work-intensive outings - which include an excellent 'classic run'.
